Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Improving Clean Water for the City of Flushing (MI)” project in Fiscal Year 2024. The entity to receive funding for this project is the City of Flushing, located at 725 E. Main St., Flushing Mich., 48433.

The funding would be used for the improvement of the Flushing Wastewater Treatment Plant to ensure the systems maintain efficient and effective treatment prior to releasing water into the Flint River. This project is an appropriate use of taxpayer funds because it will improve the quality of water in Michigan, including the Great Lakes.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Daniel T. Kildee".
